# Welcome

We're Baarrk! And thrilled to welcome you to the 2024 Brisbane Dog Lovers Festival at the Brisbane Convention & Exhibition Centre.

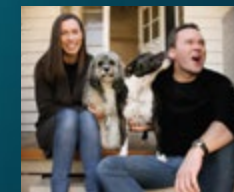

It's bursting with K9-inspired attractions and you'll love meeting hundreds of beautiful and talented dogs across the weekend.

Our dogs are family, and no words could ever convey just how much joy and love they bring to our lives. We ask that you (and any kids in your care) respect every dog's personal space, observe the safe interaction with dogs signage and always ask the handler before you approach or pat any pooch.

We would like to thank all the fabulous people who help bring the Festival to life including our Exhibitors, Sponsors, Partners, Suppliers, Presenters, the Venue team and of course our wonderful Volunteers – thanks for helping to make this Australia's favourite dog-dedicated event.

Enjoy the Festival! We trust you'll leave us with a greater respect and understanding for the dog(s) in your life and a sore face from smiling all day!

# LIVE ON THE ADVANCE™ STAGE

## DR. CLAIRE STEVENS

Expert veterinarian and author, Dr Claire Stevens, has helped scores of Aussie pet owners with her advice and wisdom about dog behaviours.

We all want to have great relationships with our dogs. They are furry family members that bring us joy, comfort, and companionship. Understanding our dogs body language is vital in having the best possible relationship with them and avoiding dangerous situations in public and at dog parks.

Join Dr Claire as she discusses the fundamental needs of our dogs and how they communicate with us.

10:30am and 2:30pm

## BLUEY & BINGO

Join Bluey and Bingo in their exciting, live interactive experience! Bluey, the inexhaustible six-year-old Blue Heeler dog, loves to play and turns everyday family life into extraordinary adventures, developing her imagination as well as her mental, physical and emotional resilience. Bingo is Bluey's younger sister. She's four years old, and a Red Heeler like her mum. Watch as Bluey and Bingo bring their adventures to life on stage, with singing, dancing, and plenty of surprises. Perfect for families with young children, this is sure to be a hit with fans of the beloved animated series.

## DR KATRINA WARREN, KELLY GILL & THE WONDERDOGS

Dr Katrina Warren, Kelly Gill & The Wonderdogs are seasoned performers, having appeared on the "Today Show", "Morning Show", and loads of TV commercials and films. When puppies are between 2 months old and 18-months old is the most challenging time for fur-parents, so Dr Katrina, Kelly & The Wonderdogs will demonstrate simple techniques to ensure puppies grow up to be sociable, well-behaved pooches.

## LYKA PAT-A-POOCH

Lyka Pat-A-Pooch presents a beautiful opportunity to get up close and personal with a wide range of dogs and take a break from the busy-ness of the Dog Lovers Festival.

Connecting with a dog and seeing their tail wagging in appreciation is one of life's absolute joys, for people of all ages.

There's mounting scientific evidence to support the notion that a few minutes of stroking a dog prompts a release of 'feel good' endorphins. Like eating chocolate, patting a dog brings us feelings of happiness, calm and relaxation – without the calories!

Visitors will love meeting and interacting, in a safe and supportive environment, with the beautiful dogs at the Festival, which is why Lyka Pat-A-Pooch is one of the most popular attractions at every Festival, and why it gets bigger and better each year!

**Visit Lyka PAT-A-POOCH  
from 10am – 4:30pm daily**
