Welcome

Cat Lovers rejoice! The fabulous first feline-focused festival has finally arrived in Brisbane!

Our cats are family and no words could ever portray just how much joy and love they bring to our lives (sometimes!). The Cat Lovers Festival is a celebration of the unique relationship we share with our feline friends and strives to empower cat lovers to better understand these often curious and enigmatic creatures.

On behalf of our passionate team, including our Exhibitors, Sponsors, Partners, Breeders, Fanciers, Presenters, the Venue team and of course our wonderful volunteers, we thank you for helping to make this Australia's favourite event dedicated to cat lovers.

We know you'll love meeting lots of beautiful kitties, and we ask that you (and any kids in your care) respect every cat's personal space and always ask the handler before you approach or pat any kitty cats at the event.

Enjoy the Festival and we trust you'll leave with a Maine Coon size smile on your face.

CATMANTOO & DIDGA

Full of tips, advice and all things AMAZING (like a cat riding a skateboard!), CATMANTOO (aka Robert Dollwet) & Didga's presentation 'Teaching a cat is easier than you think!', is one every cat parent must see! And for those with a hankering for taking their precious puss on out-of-home expeditions, their educational session 'Training cats to use a harness and leash for outdoor adventures' will be just the ticket. See why 1.1 million Facebook followers have gone completely cat-cray-cray over this talented duo.

10:30am and 1:30pm

DR CLAIRE STEVENS

Expert veterinarian and author, Dr Claire Stevens, has helped scores of Aussie Pet Owners with her advice and wisdom about Cat Health.

From a human perspective, the life of a spoiled cat looks easy. They sleep whenever they want, basically do whatever they want and have human-slaves to clean up after them. But the truth is, our cats' lives might not be as stress-free as we imagine.

Join her as she explores ways to avoid cat stress and make your home a safe space for your feline friends!

12:30pm

ERIN BROWN

Erin is a highly experienced International All Breed Judge, with more than 20 years of experience in cat judging. She strongly believes that animals deserve a healthy and comfortable life, and therefore, considers the physical correctness of a show animal alongside its beauty. Erin currently serves as the President of the Feline Cat Council of Queensland. She will be sharing her vast knowledge with visitors and providing essential tips to help them find the right cat breed that suits their lifestyle and home.

3:30pm

JACKSON GALAXY

Jackson Galaxy's long-running hit show and global phenomenon "My Cat From Hell", on Animal Planet, which he hosts and executive-produces, has placed him at the forefront of a world-wide obsession with all things feline.

He's also a leading advocate for cat rescue and welfare, and his journey from entry-level shelter worker to America's official 'Cat Daddy' has made him one of the most sought-after feline experts ever!

Beaming live onto the big screen via satellite from Los Angeles, Jackson Galaxy will present two daily talks followed by an interactive Q&A.

11:30am and 2:30pm

A promotional image for Whiskas cat food. It features a grey tabby cat peeking out from under a purple blanket. In the foreground, there is a yellow bowl filled with dry cat food. To the right, there are three boxes of Whiskas cat food: one labeled 'New Improved Recipes', one labeled 'with Chicken Tenderloin', and one labeled 'with Chicken Tenderloin'. The Whiskas logo is in the top right corner. A yellow banner in the top left corner says 'New improved recipes'. The background is a solid purple color.
